Important information for you to know:

1. The weekly fee of \$ 15 one child, \$25 2 children, \$35 3 children includes all scheduled early release days. **The weekly fee is due regardless of the number of days a student attends during the week, and must be paid even when a student is absent the entire week.**
2. It is important that your child(ren) arrive at the pickup hubs on time. It is equally important that parents arrive on time for hub pickups in the afternoon. Drop-N-Play reserves the right to suspend services to any family that does not adhere to the drop off and pick up schedule.
3. Transportation services will not be available when the school closes early for inclement weather. If the schools have an unscheduled early release (i.e. inclement weather), your child must be picked up by a parent from the school.
4. Payments are due each Friday **prior** to the school week, a \$10.00 per day late fee will be charged for payments made after the weekly due date. Parents or guardians may make as many advance weekly payments as they choose. Parents will be denied service if weekly payments are not paid on time.
5. Two weeks written notice must be submitted prior to any child's withdraw from the transportation program.
